Inquiry: To Infinity and Beyond! Exploring Space

Maths: Measurement - Length and mass

Number: Addition and Subtraction

Literacy: Information Reports/ Descriptions

Whakatauki (Maori Proverb)

Our Term 2 school Whakatauki (Maori proverb) is "Tukua te Wairua kia rere ki ngā taumata" which means 'Allow ones spirit to exercise its potential', which links to our school value of creativity. We want children to show creativity in their learning and feel safe to express themselves.
